For some reason my \$86,779.82 in income from this job as a teacher is missing from my social security statement. I got the payroll office to give me back payroll statements to prove my income. Also, I paid into a retirement fund for part of this job with this public school system at the same time I was paying taxes. I just found this out. I never received a refund as my other teacher did.

Please add this income.

Also, 2000 and 2001 it should be 63,000-64,000.00 per school year as 1999. Where did the 40,000 go to? I worked for the Pittsburgh Board of Public Education from 1990-10/31/2001.

There is also income missing for the City of Pittsburgh Parks and Recreation Department. I have not been able to get them to supply the proof of tax reporting for those wages because they claim that they do not have record back that far. I worked from about 1979-1984, until I moved to New York to begin that teaching position. I am in the process of trying to get that information from the IRS.

I need my earnings statement corrected so I can retire.
